Subject Spraying Willapa Bay

Dear Mr. Downey,  
Your colleague, Keven McDermott, urged me to get in touch with you.  
I am a former EPA analyst writing to you on behalf of (b) (6), owner of the Moby Dick Hotel and Oyster Farm in Nahcotta, WA. (b) (6) complained that herbicide spraying is threatening the oysters at Willapa Bay, which are essential for her livelihood.  
Could you please call her (b) (6) to find out the story from her and see if you could assist in eliminating the current hazardous policy of spraying? If you don't have the time to call her, can she call you?  
Clearly, now that we have the Obama administration, alternatives to sprays ought to be the norm.  
Looking forward to hearing from you.

Sincerely yours,

(b) (6)
